- As coaches, we will do our best to ensure each student-athlete has a safe, fun and educational experience.
- When you enroll your child to participate in a team, both you and your child are making a commitment to his/her teammates and the entire team.
- It is imperative to be present and punctual at all practices.
- Presence and effort at practice, which will be noted regularly by coaches, will determine the quality of the athlete's overall experience on the team as well as playing time during games.
- Academic and disciplinary conduct is a factor in determining eligibility for participation.
